DAN FUKUSHIMA

We, the Argus staff, wish to show our appreciation to our dedicated adviser for his patience and guidance. Through the years, with his vast knowledge of the journalistic field, he has made the Observer and Argus two outstanding student publications. Also, he has contributed much of his time and effort to the creation of faculty and administration newsletters.

During his career at Lick, this man has been active in the Physical Education Department, acting as a teacher and basketball coach. His devotion to the game and the boys who participated has resulted in many successful seasons.

To Mr. Dan Fukushima, in reward for his diligent work for James Lick, we, the Argus Staff, give this surprise dedication of our 1963 yearbook.

Once again James Lick has completed an unusual year in that we were on a double session for a semester sharing our facility with William C. Overfelt High School. During the same semester our own buildings were under construction. The second semester brought more new experiences in the form of an "O" Room Schedule and the WASC accreditation evaluation. However, it has become traditional for Lick teachers and pupils to shoulder new challenges and to successfully accomplish our purposes. Congratulations are extended to all those who contributed to the success of this school year.

For many years to come this year's Argus will serve to refresh your memories of experiences and personalities relating to your high school career. The staff of the 1962-1963 Argus have devoted themselves to the task of publishing a yearbook of quality and dignity. A perusal of the Argus corroborates their success.

On behalf of the entire staff of James Lick High School congratulations and best wishes are extended to the class of 1963.

For the class of 1963 the school year was one of numerous activities and hard work. Every event held special meaning because of the realization that those events could not be relived. One activity that seniors will not forget is the Senior Social held on December 11. For the first time the senior class was together to dance and to have a class meeting. That was the last activity exclusively for seniors until the spring semester; however, the ordering of graduation announcements in February made seniors realize that the end of a high school career was not far off.

The spring semester held all the important activities — the Senior Picnic, Senior Swim Social, Senior Ball, and Graduation. Although June 14 is the day that most seniors will remember above all other, the night of the Senior Ball will not soon be forgotten by many.

SENIOR FLOAT for Homecoming was a Volkswagen decorated in the shape of a football.

FALL SEMESTER Senior Class officers were: Daryl Pulley, president; Dick Lawrence, vice president; Laurie Engelhardt, treasurer; and Donna Craig, secretary.

Coming out of a rally was like toothpaste oozing out of a tube. Entering a packed gym was like toothpaste being pushed back into the tube.

Junior English Class
Junior "O" Room

During the past year, an extremely active Junior Class has worked diligently at many projects. Early in the fall were the Iowa Tests, taken and tabulated by the class. Mr. Bob Nelson, adviser, called this a "really big job well done."

In October came the Junior Social under the direction of President Bruce McCall and his staff. A gala event, the social brought together old and new acquaintances for an evening of fellowship.

In spite of the first semester difficulties because of double sessions, the Juniors forgot their own troubles long enough to pull together in GOMTOD, the Jack Emery Christmas Basket Drive, and other food and clothing drives, besides participating in other school activities.

Probably the biggest Junior event was the prom "Tropical Splendor." The arrangements were supervised by Darryl Swenson, second semester president.

Mr. Nick Barisich, class counselor, and Mr. Nelson praised the class as outstanding in terms of both high academic achievement and complete school spirit. Junior classmen have given much of their time and effort to ring up a memorable year, and have established for future junior classes a standard for which to strive.

Sophomore Float

Sophomore Elections

Mrs. Hartman,
 It has been a
 wonderful year with
 you. You have shown
 me how to become a
 better person. And how to get
 along with people in the world.
 It was fun working with you in
 the play and in class. I hope to
 see you next year. God Bless
 you and keep you feeling well for
 the rest of your life.
 Always

Confident sophomores, a full year removed from a be-
 wildered freshman year, returned in the fall to James Lick
 anticipating a banner year. It was apparent even on the first
 day that things were not going to be the same. Many of last
 year's classmates were attending noon sessions as Overfelt
 students, and Lick students attended half day morning sessions.
 Having to clear the halls immediately after sixth period, and
 Overfelt occupying all the rooms in noon sessions made it difficult
 to get activities into full swing. It took a little while to get
 used to the arrangement, but the situation was cleared up with
 the completion of the Royal campus and the guests made the
 Big Move. JoAnne Briggs, class president, led the sophs through
 first semester activities. Sophs attended the Kick-Off Dance,
 rooted for Comet teams during the fall and winter athletic con-
 tests, and co-hosted the Frosh-Soph Hop. They shared facilities
 with the Royals, attended short class periods, and were through
 with the school day at 12:30. With the change of semesters,
 Phil Matsumura assumed the office of sophomore class president.
 Many sophomores distinguished themselves in scholarship,
 activities athletics, and service and otherwise prepared them-
 selves so that they might take their place next year as bona fide
 upperclassmen.

The Last day

It was a young and bewildered group of freshmen that wandered through the halls last September. Programs clutched in hand, they anxiously studied the precious slips and then set out to find their respective classrooms. If they had any solace, it was in the knowledge that they were a large class. But big plans for the class could come later — finding the right room was the job at hand.

A change of rooms and teachers every hour was something new. What's this B period? Program changes, bus schedules, bell signals, counselors — somehow they managed to get through it all the first day without serious casualties.

The first football game, frosh elections, Frosh-Soph Hop, pep rallies, Homecoming, all followed in quick succession. The freshmen were learning the ropes. They participated in athletics, served on committees, gave a big boost to GOMTOD, and to the chagrin of the upperclassmen, they scored a big victory in the float competition with their float and slogan: "Boil the Royals."

In the course of the school term the freshmen lived and learned. They studied, participated in activities, and were gradually wearing off their square corners. They were now veterans of final exams, team teaching, term papers, Black Flag, O Room, student elections. And as the year drew to a close, they looked forward eagerly to the upcoming sophomore year.

Sports

Yester

The fall semester opened in September and the 1962-63 sports year got under way. Hopes were high, as they generally are at the beginning of a new school term, but after the smoke of battle had cleared away, James Lick teams did better than expected in some sports and not so well in others. The 1962 varsity football team proved one of the hardest hitting clubs in recent years, but inexperience and key injuries led to a mediocre 5-4 season mark. The defense held up reasonably well, but the inability of the Comets to score consistently resulted in several close decisions.

Lightweight gridgers got off to a slow start but gained momentum as the season wore on. Featuring a powerful single attack, the B's reached their high water mark by snapping Hill's 14-game win streak with a resounding 14 to 0 victory.

The water polo team played its toughest-ever practice schedule. Although they fared poorly in the early season games, the topflight competition toughened them up for league play. The Comets wound up in second place in the MHAL.

Surprise team of the fall season was the D basketball squad. A truly green team at the outset, they gradually gained poise and confidence and an unbelievable determination to win against odds. Every victory came the hard way for them, and their 10-1 league record enabled them to grab a tie for the MHAL championship. The C's, after heartbreaking one-pointers, took fourth place.

December rolled around and the varsity and B basketball teams took to the courts. The varsity tied the school record for wins with a 17-6 mark, placed second in the Lick Invitational Tournament and the San Jose Centennial Tournament, and tied for second place in the MHAL. Comet lightweight cagers had a 9-13 season mark due to an amazing series of misfortunes. The heroic B's, however, came back in the post season Gilroy Invitational and walked off with the championship trophy.

Varsity wrestlers placed second in league dual meet competition with a 10-1 record. Comets emerged winners of the league finals with four champions and six other placers. The jayvee wrestlers had an identical 10-1 season log.

Wrestlers and cagers, like the water polo teams, were bridesmaids—all wound up in second place or tied for runner-up honors. Illness, injury, transfers, mid-year graduation—singly or in combination—were factors which plagued Comet teams since September. Had the unfortunate sequence of breaks been only slightly interrupted, Lick might have posted another title or two.

Defending champion horsehidiers took to the diamond this season a young and inexperienced group, and like the track team, hoped to make this a profitable building year. As this edition went to press, the swim team and golf squad appeared capable of defending their championships and were taking giant strides toward that end.

The 1962 football season will be remembered by coaches and players with mixed emotions. It was a winning season and our only feelings of disappointment stem from the fact that it could have been better.

The team was an inexperienced group at the start of the season, and it grew into a fine team that was capable of beating any in the league.

It was a season of some heartbreaks, but also of many fine accomplishments. We will remember the great heart of all-league end Bruce Carlson and the leadership of all-league backs Greg Threadgill and Rod Bruck. The tough defensive line led by seniors Frank Cope and all-league Chuck Thompson was our finest ever, and we will always admire Pete Salazar for his fine line-backing ability that won him all-league honors.

Next year we will miss the play of our seniors Larry Arellano, Bill Mattish, Fred Jones, Bob Fernandez, Jim Curry, Pete Hardester, Mike Weaver and John Young. We will call on Bill McQueary, Rich Sotelo, Tom Schauer, Jim Webster, Bob Caltabiano, Ross Abinanti, Vic Stanton, Jesse Buchanan, Craig Shupe and Ken Maderis to give us another winning season.

B Football

The 1962 edition of "B" football at James Lick High School was characterized by the use of a multiple offense. A strong running attack was balanced by an adequate throwing game. Combined, they produced a 6 win, 3 loss record for the season. The Lick B's were noted for having a rugged defense and ended the season with the best defensive record in the conference.

Several players were awarded post season honors. Jim Morone was given the Outstanding Lineman award for this entire conference. All conference honors were awarded to Jim Morone, Manuel Aiello, Bob Christopherson, Art Johnson, Richard Mattish, and Monty Keely. The team voted the outstanding lineman award to Jim Morone and the outstanding backfield award to Gary Scoppettone. Other standouts for the season were Issac Valles, Anthony Destro, Lou Perske, Bryan Lack and John Herrera.

Front row: D. Sears, S. Marino, C. Rodriguez, P. Matsumura, L. Perske, R. Mattish, R. Christopherson, B. Lack, P. Passafuime, J. Herrera, A. Destro, S. Almand, D. Barrett, Coach Modeste. Wrestling

The varsity and junior varsity wrestling teams ended the 1962-63 season with identical 10 win, 1 loss records. The varsity record placed the team in second place for the championship and a strong win in the league final tournament proved the team to be the best in the league.

Ten members of the team placed in the league finals with four firsts, one second, four thirds, and one fourth. First place winners were Art Silva, 130 lbs.; captain Isaac Valles, 120 lbs.; Pete Salazar, 145 lbs.; Jim Arterberry, 154 lbs.

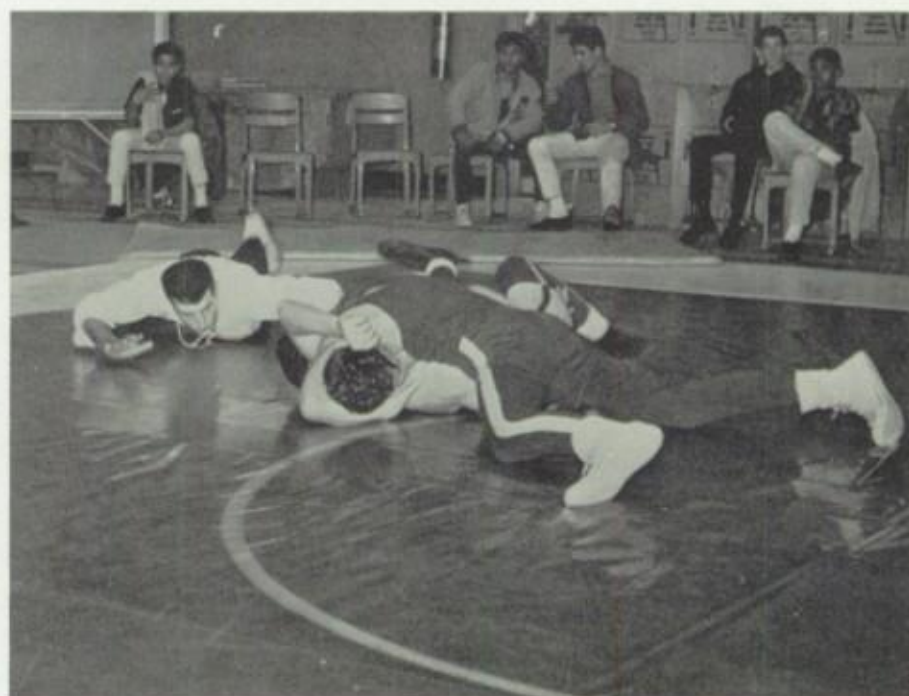

First and second place winners from the league finals connected in the Southern Division of the North Coast Section where four wrestlers placed, taking one first, two thirds, and a fourth. The first place winner was 120 lb. Isaac Valles.

None of these boys placed in the Northern California Invitational tournament.

Eight members of the team return next year along with the strong junior varsity team for what should be a very successful season.

Lick cagers compiled a record of 17 wins and 6 losses for the campaign. The Comets scored 1,153 points and limited opponents to 986—an offensive average of 50.1 points per game, and a defensive average of 42.8.

In a season of near misses, the Comets placed runner-up in the Lick Invitational, runner-up in the S.J. Centennial tournament, and tied for second in the MHAL.

Rod Bruck and Pete Kendall were named to the J.L. Invitational all-tourney team. A week later Bruck was selected Most Valuable Player in the Centennial Tournament, and Gerry Clark and Greg Threadgill were named to the all-tourney team. Kendall, laid low by the flu, was unable to play in the championship finals.

Varsity cagers defeated North SCVAL co-champions Sunnyvale and Los Altos, Buchser, San Jose, Carmel, Fremont and Mt. View in non-league action. Loss of Bruck through mid-year graduation and a second attack of the flu seriously hampered Lick's title bid. A one-point loss to champion Lincoln and subsequent loss to Pioneer shunted Comets to second place.

Seniors who played their final game for the Green and White are Rod Bruck, all around performer; Greg Threadgill, one of the all-time Lick rebounders; John Young, scoring ace; Gerry Clark, the league's best set shot artist; Fred Jones, two-year letterman; and John Duarte, hustling guard.

Captain Pete Kendall heads the list of returning lettermen including Don McCay, 6-3½; Dan Wood, 6-4½; Russ Forbes, 5-11; Bruce McCall, 6-2. Up from the B squad are Craig Shupe and Phil Passafuime.

As this edition went to press, the varsity swim team had a string of 29 consecutive league wins, and the prospects of garnering its fourth straight title were very bright. Only serious threat to the victory string was Lincoln at the tag end of the season.

The top sprinters were Chuck Pyle (23.5; 54.4), Larry Timmons, Ed Wartena, Darryl Swenson and Bo Tucker. Paul Newman and soph Paul Alliguie were upcoming prospects. Wartena's early season 400-free mark was 4:24.7.

Phil Brown, Wayne Reek and Jerry Ratzliff comprised a strong corps of backstrokers, while Dave Sprague, John Greco and Craig Dimeff were point winners in the breast stroke. Chuck Allen and Bob Christopherson were top Comet divers.

The Lick varsity was a predominantly soph and junior team which augured well for the future.

The B's were tied for second place with promising freestylers in Rod Pinkham, Jim Ratzliff, Barry Sheppard, Reinhard Funck and Tom Beattie. Larry Bumgardner and Mike Brown were backstrokers and Mike Mints and Jim Zingheim were the breaststrokers. Phil Hobson's specialties were the fly and individual medley. Art McCarthy and Larry Seymour were fast-improving freshman divers.

Varsity, Frosh - Soph Water Polo

Coach Gene Nyquist and Varsity Captains Chuck Pyle and Dan Wood.

After getting off to a very slow start with their tough schedule, the Comet varsity came on strong during the league season and went on to compile a fine 5-1 record. This included second place in the MHAL and a season over-all record of 5-5.

Junior back, Ed Wartena, led the Comets offensive and defensively throughout the season and for his efforts was given the league's highest award — The Outstanding Defensive Player and an all-league back. Ed was also named to the All-American High School Water Polo Team as a second team back. Chuck Reichers and Larry Timmons were named to the MHAL all-league second team.

The frosh-soph followed the pattern of varsity and finished the season with an identical 5-5 over-all record. In league play, they also finished second with a 5-1 record. Wayne Reek and Barry Sheppard led the team offensively, while Larry Bumgardner and Jim Ratzliff were the defensive standouts. For their fine defensive efforts, Larry and Jim were named on the all-league first team with Larry being named the Outstanding Defensive Player. Wayne Reek was named to the all-league second team.

Coach Tom Ryan entertains high hopes for his linksmen in the 1963 playoffs. A perennial powerhouse in the league, the Comets have won the title no less than eight times in 12 years. They are a virtual cinch to make the playoffs and are counted on to defend successfully their well-deserved laurels.

Varsity Baseball

After some extensive trimming, the James Lick varsity this year will present an inexperienced, but hustling outfit. The returning lettermen number only three: Bill Mattish, Walt Trejo, and Jim Morrone. Unfortunately, less than half of last year's championship Frosh-Soph team returns. The returnees are John Bodine, Gary Enos, Steve Marino, Vic Stanton, Ron Corbal, and Pete Kendall. From previous Frosh-Soph and Freshman teams come Gary Scoppettone, Don McCay, and Randy Morrison. Newcomers are Jim Curry and Earl Olsen.

The infield of John Bodine, Randy Morrison, Ron Corbal, and Steve Marino should be strong defensively. As catcher, Vic Stanton should have a fine year. The outfield, led by Jim Morrone, Walt Trejo, and Bill Mattish should provide some strong hitting. However, this year's success will largely depend on the health of the pitching staff of Bill Mattish, Pete Kendall, Gary Enos, Don McCay, and Jim Curry.

Cross Country

Coach Keith Antes and Co-Captains Dick Lawrence and Bill Robles.

The 1962 varsity Cross County team placed second in the Mount Hamilton Athletic League behind the Washington Huskies. Daryl Pulley, outstanding runner, Bill Robles and Dick Lawrence, co-captains, and Bill Manfull led the varsity against Comet foes this season.

Juniors Joe Caudillo, most improved runner, Noel Curry, Ray Sanchez and Jess Madrigal provided the depth necessary for a successful team and season.

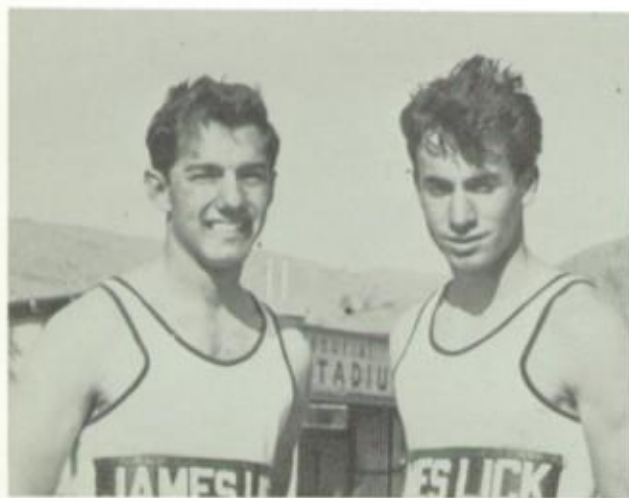

Underclassmen Dan Guerrero, Tom Duran, Bob Vandenberg, Tim Garcia, Carl Gonzales and Val Sandoval also provided depth and, on many occasions, competition for the more experienced upperclassmen.

The success enjoyed by the underclassmen this year ensures strength and success for next year's team.

1963 Varsity Track Outlook

The Comet varsity was comprised of several strong seniors and many average juniors and sophomores. The Seniors who led in the scoring included Bill Manfull, Daryl Pulley, George Bassett, Fred Belus, and Cal Morgan. Ray Clayton, Jim Blatt, Jim Carlton, Ross Abinanti, Jim Webster, Perry Buchanan, and Howie Arnett, all sophomores and juniors, gave the varsity depth in most events.

Coach Antes termed this season a rebuilding year with many juniors and sophomores gaining experience. Several topflight prospects were lost to Overfelt when the new school opened last fall.

Best early season performance was posted by junior Ray Clayton who topped 13'3" in the pole vault.

B Track

Co-Captains Tony Tiopan and Manuel Aiello

The lightweight track teams had very successful seasons and are going to be counted on to add strength and depth to the varsity teams in the next two years. Manuel Aiello, Craig Shupe, Bill Rumph, Tom Schauer, Joe Caudillo, Dan Guererro, Jerry Gingerelli, Ed Santos, and Jerry Astorga were the top scorers in the lightweight divisions.

Front row: Bill Moniz, Dennis McDonnell, Eddie Santos, Bill Rumph, Rich LaMantia, Ron King. Back row: Chris Bax, Randy Reagan, Ron Amezcuita, Charlie Thum, Roy Leyba, Tom Duran.

C-D Track

Eight International First Place awards, three International Honor awards, three Gallup awards, and a northern California Press & Union League award have been won by the **Observer** over a period of twelve years.

This year's **Observer** under the editorship of Laurie Engelhardt has added to that distinguished record. Rod Bruck, sports editor, organized an able staff including Bob Podesta, Andy Olsson, Tom Schauer, Daryl Pulley and Fred Jones. Karen Wilhelms, feature editor, utilized the talents of Jeanne Col, Joan Barisano, Cheryl Harms, Diana Lickwar, Kathy Jenkins and John Woolliscroft for feature and editorial copy.

Campus editor Harry Pedigo and Bob Podesta collaborated on colorful on-the-spot interviews with internationally known personalities—Louie Armstrong, Victor Borge, Duke Ellington, Ray Charles, Bob Newhart, Henry Mancini and James Stewart.

Jeanne Col's column **Col-ling all Girls** kept readers up to date on GAA, and Bill Garetz fashioned himself as the students' conscience in his column **The Singular Garetz**.

Priscilla Harper handled the exchange and Janet Simoni joined the staff in mid-year to become business manager. Darlene Barnard, a real artist with the lens, was always ready with her trusty camera.

Early Birds

As the year draws to a close, we wish to reminisce upon the highlights of the school year. We have attempted to capture these bright points as they were, between the covers of the 1963 **Argus**.

In behalf of the staff I wish to thank our adviser, Mr. Dan Fukushima, for his patience and guidance in helping to publish this edition. I would also like to acknowledge our professional portrait photographer, Mr. Porky Calado, for his assistance.

We hope we have succeeded in our efforts to present to you, the students of James Lick High School, a yearbook which you may be proud of today and in the years to come.

Tjansts

"Tjansts" is Swedish for service, and this leading club has truly earned its name. An active club, Tjansts this year won the annual clothing drive and the Jack Emery Christmas Drive. Also, the girls made Valentines for people in the County and San Jose Hospitals.

Interested in school competition, Tjansts members worked diligently in Carnival Day activities. Also, they participated actively in the "Powder-Puff" basketball game.

Trying to retain their hold on the Service Trophy which they had won for the last two years, Tjansts members fulfilled their duties to the school and the community.

Crest and Key

Crest & Key is a national honor society dedicated to the improvement of student character, responsibility in leadership, excellence in scholarship, service and tolerance. This organization operates to offer students benefits in academic achievement and scholarship opportunities.

Members of Crest & Key are chosen for both academic achievement and leadership potential. Students are given the opportunities to develop leadership and encouraged to set good examples.

Serving as presidents of the organization for successive semesters, Daryl Pulley and Shirley Matsumura guided the club in their various social and service activities. Crest & Key members served the school in many ways, and learned much in the process. Junior and senior members of the society worked together under the guidance of Mrs. Eleanor Buckley, adviser, to carry out a proud and rewarding year.

Mrs. Hartman
It's been
fun being in
your class.
Beverly Ferrara

Mrs. Hartman
all in all this
year of English wasn't
as bad as I had
expected, in fact it
was rather enjoyable.
See you round next
year - Hope you get a
better class than
this years 3rd period

always

... Our story comes to a close.
Where we began, so shall we end.
Guard well this volume;
It has many of us in it.

To a real
swell and cool
teacher who has
help me from the
beginning of the year.
your student

Chaves

- Mrs. Hartman -
It's been great
being in your class
every day & I don't get
the grade I want.
Harry Schoelerman

- Mrs. Hartman -
I had lots of fun this
school year in your class
and I ~~and~~ aint never going
to flunk English.
Jesse Gonzales

- Mrs. Hartman -
To a real swell teacher.
you had to put up with my
brother and now me in a few years
may be even my sister.
Always,
Bruce West

- Mrs. Hartman -
I've really enjoyed having you
as an English teacher
this year. I've really
learned more than I've
learned any other
year!
Always,
Carolyn
Statani

- Hi CAT -

IT's your Ole Flunkie
Here. Just wishing you
the best of luck always
you're a real
Boss Teacher
Love

Mrs Hartman
You're a pretty fair country teacher.
Jim Glad I got you for English this year
from your Top Student and most modest one
Layla Knudsen

- Mrs Hartman -
to a nice teacher
who I have worked
with in Drama Club
this year. Have a very
wonderful summer
and I hope to see you
next year.
Best of Luck
Good wishes
always,
Lenga
Abrahamson.

- Mrs Hartman -
It was really
nice being in your
class. I'm glad they
put me in here.
Top Student
Layla Knudsen

Don't
forget you
I was
glad to get you for a teacher
I know you're the best
one of the best
teachers
Mrs Hartman

Mrs. Hartman

So the only English
teacher who has got
me to do my homework.

Hope your classes next
year are better about
homework than we
were
